

Sunbelt Mail In Registration Process

Teams:

Complete the Sunbelt Tournament Roster with only the players that will be attending the Sunbelt. (Do not include players on your state roster that aren't attending, but DO INCLUDE any guest players)

Make a copy of the Sunbelt Tournament Roster. (send both copies)

Complete the Sunbelt Guest Roster if bringing any guest players.

Make copies of ALL player and coaches cards – please note any missing player cards due to sit-out requirements.

Make copies of signed Medical Release forms (either separate form or the one on the CYS registration form)

PAPER SAVING SUGGESTION: place the card on the lower part of the medical release when copying so each player has 1 page. Copy on both sides of page and get 2 players per sheet!

Send all of the above to the address listed below via a **TRACEABLE** method. Either Fed-Ex or UPS, or some other method that a tracking number is available. We must have the paperwork by Wednesday, February 24th.

You should send:

- 2 copies of the completed Sunbelt Roster
- 1 copy of Guest Roster (if necessary)
- Copies of all player & coaches passes
- Copies of signed medical releases for players

We will process your forms – approve your roster – and have them available for you to pick up the morning of the tournament at the tournament headquarters.

SATURDAY: Arrive at least an hour before your first game. Bring your actual players and coaches cards. We will review the player cards – and hand you your approved roster to use for the tournament. We'll also give you your coach's packet that contains programs, tournament pin and your coach's gift.

Remember – it is your responsibility as the coach to have birth certificates and signed medial releases for your players available if requested at the field (per CYS rules)
